

Project Completion Affidavit

The subrecipient has determined the project is complete, and affirms that the following equipment with the listed capabilities was installed at the following locations:

- [Subrecipient to list]
-

The subrecipient affirms the accuracy of this list and understands CEN, or its successors or designees, reserve the right to conduct location-based speed tests at locations to be served through this grant program.

The subrecipient understands that if the speed tests do not reflect the upload and download speeds committed to under this program, CEN has the right to compel the subrecipient to provide refunds of awarded funds.
